SUMMARY

Mathematics and Computing undergraduate at BITS Pilani, Goa with strong interest in **software development and problem solving**. Skilled in **C++, Python, and Java**, with solid understanding of data structures, algorithms, and object-oriented programming. Passionate about building scalable systems and improving performance through efficient design.

EDUCATION

BITS Pilani, K K Birla Goa Campus B.E. Mathematics and Computing GPA: 8.79	Expected Aug 2028
Maheshwari Public School, Kota Class XII – 93.4%	2024
St. Paul's Sr. Sec. School, Kota Class X – 98.4%	2022

RELEVANT COURSEWORK

- Data Structures and Algorithms, Object-Oriented Programming, Computer Programming, Probability and Statistics, Discrete Mathematics, Scientific Computing

SKILLS

- Languages:** C, C++, Python, Java, SQL, JavaScript, HTML, CSS, MATLAB, React
- Core Concepts:** Data Structures, Algorithms, Object-Oriented Programming
- Tools:** Git, GitHub, VS Code, Lightroom, Photoshop, Premiere Pro
- Competitive Programming:** Strong problem-solving skills (Codeforces, LeetCode)

PROJECTS

Competitive Programming Tracker (In Progress)

- Developing a full-stack application to track user performance across **Codeforces and LeetCode**
- Integrated APIs to fetch submissions and analyze **topic-wise strengths and weaknesses**
- Implementing features like **activity calendar**, performance insights, and recommendations
- Focused on improving learning outcomes using data-driven feedback

Personal Finance Management System

- Built a finance management system using **Object-Oriented Programming** to manage income, expenses, and savings
- Implemented a **tax calculator module** based on income slabs for accurate financial insights
- Designed modular and scalable architecture using reusable components
- Collaborated in a team environment using structured development practices

CERTIFICATIONS

- Completed a certified 3-day workshop on **Scientific Computing using MATLAB**, focusing on numerical methods and computational problem solving

EXPERIENCE

Core Team Member, Department of Photography
BITS Pilani, Goa

Aug 2024 – Present

- Covered major college events through photography and videography for official media releases
- Collaborated with team members to execute large-scale event shoots efficiently
- Enhanced visual storytelling and editing workflows using professional tools
